

LIMITED LIFETIME WARRANTY

PROVIDED BY **Michigan Metal Roofing**

METAL MICHIGAN LLC, d/b/a MICHIGAN METAL ROOFING ("Michigan Metal Roofing"), extends the following limited paint warranty to the original purchaser ("Customer") on its Metal Roofing Systems, fabricated by Michigan Metal Roofing from pre-painted coil into commercial, industrial and residential building construction products installed in the United States and Canada. This is not a corrosion warranty.

Section A | Limited Lifetime Warranty

Michigan Metal Roofing warrants that its Metal Roofing Systems will conform to the performance standards listed below (the "Limited Lifetime Warranty"):

1. Within 40 years from the date of installation, the Metal Roofing Systems will not peel, flake or otherwise lose adhesion to an extent that is apparent in ordinary outdoor visual observation. NOTE: Slight crazing or cracking may occur on roll-formed edges or break bends at the time of forming, and is considered standard – such crazing or cracking shall not constitute a basis for complaint under this Limited Lifetime Warranty. *Further, failure due to substrate issues including, but not limited to, corrosion is not covered by this Limited Lifetime Warranty. Various metals may react differently under different atmospheric conditions.*
2. Within 30 years from the date of installation:
 - A. Vertical panels of the Metal Roofing System will not change color more than five (5) Delta E (Hunter units) and non-vertical panels will not change more than seven (7) Delta E (Hunter units) when measured per ASTM D2244 on clean surfaces after removing dirt, other surface deposits and chalk per ASTM D3964. It is understood that color change may not be uniform if the surfaces are not equally exposed to solar radiation and other elements; and
 - B. Vertical panels of the Metal Roofing System will not chalk more than a number eight (8) rating and non-vertical panels will not chalk more than a number six (6) rating when measured per ASTM D4214, Method A.

Certain bright, saturated, non-standard colors are not attainable without using formulations that are more susceptible to the effects of outdoor weathering, and as such will carry reduced warranty coverage. Michigan Metal Roofing will inform you in writing at the time of color matching if the color is subject to reduced warranty coverage.

This Limited Lifetime Warranty does not apply to other causes of degradation, including:

1. Failure to fabricate the pre-painted coil within 6 months after coating, which can affect fabrication properties and may void the warranty;
2. Failures or damage resulting from under-film or edge corrosion, or failure or defects of the metal substrate;
3. Acts of God, falling objects, explosions, fire, external forces or other circumstances beyond our control;
4. Metal Roofing Systems applied to other than first quality aluminum, Galfan®, Galvalume® steel, or galvanized steel;
5. Metal Roofing Systems not applied in accordance with good practice in the coil coating industry, including proper cleaning and pretreatment of the substrate;
6. Mishandling of any substrate coated with the Metal Roofing System, including abuse, modification, improper fabrication, storage or use;
7. Failure to properly clean and remove organic debris including, but not limited to, tree leaves, tree limbs, pine needles, dirt, fungus and moss;
8. Metal Roofing Systems that have been stored or installed in such a way that allows contact with animals or animal waste;
9. Harmful fumes or foreign substances in the atmosphere, or salt spray;
10. Metal Roofing Systems damaged due to moisture entrapment in coils and/or bundles during transit or storage, or stored or installed in such a way that allows standing water on the coating;
11. Significant differences in insulation below the coated metal panel;
12. Where materials or items are attached or adhered to the product.

LIMITED LIFETIME WARRANTY

CONTINUED

Section B

1. Michigan Metal Roofing warrants that the color-coated finish applied to its steel roofing and siding panels will not crack, peel or lose adhesion. This does NOT include minute fracturing, which may occur in proper fabrication of the building parts. Failure due to substrate corrosion is excluded. This warranty does not apply to the reverse side finish of the products.
2. Michigan Metal Roofing also warrants that the color-coated finish applied to its steel roofing and siding panels will not, within a period of thirty years after installation or a period of thirty years and one month after the date of shipment (whichever comes first), chalk or lose color beyond the following limits. Color change is measured in accordance with ASTM D2244 and chalk is rated in accordance with ASTM D4214. Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and compared to the corresponding values measured on the original or unexposed painted surface. It is understood that fading or color changes may not be uniform if the surfaces are not equally exposed to the sun and elements.

Sidewall: Color 5 | Chalk 8 **Roof:** Color 7 | Chalk 6

3. **DISCLAIMER OF WARRANTY:** THE EXPRESS WARRANTY STATED HEREIN IS THE EXCLUSIVE WARRANTY APPLICABLE TO MICHIGAN METAL ROOFING PRIME PAINTED MATERIAL ONLY, ROOFING AND SIDING PANELS. MICHIGAN METAL ROOFING MAKES NO WARRANTIES OR GUARANTEES, EITHER EXPRESSED OR IMPLIED, BEYOND THE FACE HEREOF INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. MICHIGAN METAL ROOFING SHALL HAVE NO OTHER LIABILITY WITH RESPECT THERETO. This warranty will apply to those panels refinished or replaced, but only for the period of time left on the original warranty. No employee or representative of Michigan Metal Roofing is authorized to change this limited warranty in any way or grant any other warranty regarding the product.
4. **LIMITATION OF LIABILITY:** THE EXCLUSIVE REMEDY FOR ANY AND ALL CLAIMS ARISING FROM THIS LIMITED WARRANTY IS LIMITED TO MICHIGAN METAL ROOFING REFINISHING OR REPLACING THE DEFECTIVE PANELS, OR REFUNDING THE PURCHASE PRICE OF SUCH PANELS, AS MICHIGAN METAL ROOFING SHALL ELECT. MICHIGAN METAL ROOFING SHALL NOT BE LIABLE FOR ANY LOSSES, DAMAGES, OR EXPENSES, WHETHER DIRECT, INCIDENTAL, OR CONSEQUENTIAL. MICHIGAN METAL ROOFING'S TOTAL LIABILITY IS EXPRESSLY LIMITED TO THE PURCHASE PRICE OF THE MICHIGAN METAL ROOFING STEEL ROOFING AND SIDING PANELS.
5. Claims under this warranty must be made in writing to Michigan Metal Roofing at the address set forth below within 30 days after the discovery of the defect. The notice shall include adequate identification of the material involved, nature of the claimed defect, date of installation, date of shipment and order number. Failure of the claimant to provide such information in the time provided shall be deemed a waiver of the claimant's rights herein. Michigan Metal Roofing shall have an additional 30 days to inspect the steel roofing and siding panels before any further action is taken.
6. Michigan Metal Roofing does not warrant or guarantee the interior or reverse side finish of pre-painted materials used for interior application.
7. Michigan Metal Roofing does not warrant or guarantee claims arising from damage to panels due to exposure to salt, salt water, water spray, corrosive or harmful chemicals (whether solids, liquids, or gases), airborne contaminants, hail or other agents of a similar nature.
8. Michigan Metal Roofing does not warrant or guarantee claims arising from the following:
 - A. Damage or defects caused by acts of God, falling objects, external forces, explosions, fire, riots, civil commotion, acts of war, excessive radiation, or other similar or dissimilar occurrences beyond Michigan Metal Roofing's control.
 - B. Minor hairline cracking of the paint finish.
 - C. Defects or damage to the painted steel roofing and siding panels caused by handling, shipping, transit, processing, storage or installation; damage due to failure of the substrate.
 - D. Damage caused by moisture or other contamination prior to installation.
 - E. Steel shavings or minute iron particles from sawing sparks that come in contact with the painted surface.
 - F. Non-vertical panels that do not have an adequate degree of pitch to prevent free standing or accumulation of water.
 - G. Panels stored or installed in a way that allows for contact with animals or animal waste.

LIMITED LIFETIME WARRANTY

CONTINUED

H. Deterioration to the panels caused directly or indirectly by panel contact with fasteners. The selection of suitable fasteners rests solely with the buyer.

I. Non-uniform weathering under non-uniform exposure conditions.

J. Unusual harmful fumes, chemically aggressive environment, foreign substances in the atmosphere, standing water or direct salt spray.

K. Damage due to green, wet, or treated lumber.

9. Michigan Metal Roofing extends this warranty solely to the buyer. This warranty is not transferable and non-assignable. Further, it is applicable only to the original owner of any structure where the material is installed. The warranty contained in Section A, paragraph 1 is limited to 40 years.

10. THIS LIMITED WARRANTY SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MICHIGAN. JURISDICTION AND VENUE FOR ANY DISPUTE CONCERNING THIS LIMITED WARRANTY ARE FIXED IN INGHAM COUNTY, MICHIGAN.
